LAST EDITION.

BY TELEGRAPH.

Strike to be Suppressed. LOWELL, Mass, Feb. 13,—There is a movement here to brake the strike at Fall River by sending operatives there.

Indianapolis, Feb. 13.—Chas. Repert, of the L., P. & C. R. railroad, died suddenly last night at his residence in this

St. Louis, Feb. 13.—Passengers from Independence announce the burning of the depot and a number of business bouses in that place on Thursday. There is no telegraph connection.

No Vendict.

TRENTON, N. J., Feb. 13.—No verdict in the Detective Becker talse swearing case yet. The jury stand four for con-viction and eight against.

Not Dead.

NASHUA, N. H., Feb. 18 .- O. L. Messie, who suicided yesterday at this place by shooting himself five times in the head and body, was alive this morning. He expresses a desire to live, but it is prob-able he will die of hemorrhage.

The Massachusetts State Constabillary Abolished.

Boston, Feb. 13.—Governor Gaston has signed the new State Detective bill abolishing the present constabulary on the 1st of March next.

CONCORD, N. H., Feb. 13.—Weather very coid. Thermometer 35 deg., be-low zero. Trains stopped and out door

work suspended. MANCRESTER, N. H., Feb. 13.—Coldest weather of the season. Thermometer from 25 to 35 deg., below zero at sunrise

More About Specie Payments. NEW YORK, Feb. 13 .- The Herald this NEW YORK, Feb. 13.—The Herald this morning publishes a four-column letter from Hon, David A. Weils on the subject of resumption of specie payments. He recommends that the Secretary of the Treasury burn a half-million greenbacks every week, making twenty-six millions a year. By this method four years will bring the currency to par, making a gradual reduction of the premium on gold, at the rate of three per cent. per annum, and gradual contraction would set the wheels of legitimate business in operation and re-establish the confidence operation and re-establish the confidence of capitalists.

The Ice-Bound Fishermen - More Cold Weather, &c., &c. BOSTON, Feb. 13.—The Boston market

fishermen ice-bound on the inside of Cape Cod are worse off than they were yesterday. The revenue cutter Gallatin lies at anchor under Long Point, necked in with a dozen vessels near her, and the fishermen in sight have hoisted a signal of distress.
There is no clear water in Cape Cod

Bay, and a cold wave passed over New Hampshire, Vermont and Maine last night, the thermometer showing from 22 to 36 degrees below zero, being the coldest weather yet experienced this season in this locality.

The Ice Blockade.

NEW YORK, Feb. 13 .- The ice in th NEW 10kk, F40. 13.—The fee in the East and North rivers is not so formidable to-day, and the ferry-boats manage to make a trip occasionally. The East river is a mass of floating ice, through which boats crush their way. No person has crossed the river on the ice to-day.

The weather to-day is mild and pleasers to the control of the co

ant, and if it continues so the ice embargo will soon be removed.

A California miner, August Peacock,

on his way to Germany, was found wan-dering about Hoboken last night intoxi-cated, and when taken to the police station he had lost his valise containing

Exports of specie for the week were \$581,015, of which \$447,730 was gold and silver bars, and the balance American

Newspaper Hoax-Destructive Fire in

morning published a heax, purporting to in 1867. It contains a fetter written by be an account of the burning of a thea-ter in the city, last night. It gives a long ter in the city, last night. It gives a long and detailed statement of the affair, with lists of killed, injured and missing. It is considered a brutal hoax, about as senseless and as wild as the sensation of the New York Herald.

A fire last night in a cloth factory on

Superior street, destroyed goods worth \$12,000 and twenty-live sewing machines worth \$15,000. Insurance \$1,500.

worth \$10,000. Insurance \$1,500.

The Pullman Palace Car Company just received cable order from George M. Pullman, in England, for twenty-five new sleeping-cars, to be shipped as soon as possible. Fourteen are now in use there.

A special from Nashville says efforts are being made in the Legislature to repudiate a portion of the bonded bebt of the State—twenty-one millions, and one and a half million interest. The State

papers oppose the movement.

The caucus at St. Paul having withdrawn both Ramsey and Davis, the Republicans go into the convention this morning without a candidate. It is believed Lochern's vote will reach sixty today.

Pacific Mail Inquiries.

WASHINGTON, Feb. 13.—In the Pacific Mail Investigation this morning, Mr. Ru-fus Hatch testified, as Managing Direc-tor that R. B. Irwin's evidence in connecton with his emplryment as agent to urge legislation before Congress, was absolutely false. Mr. Irwin was empowered by Mr. Stockwell; he had no engagement with the Pacific Mail Company directly or indirectly.

gagement with the Pacific Mail Company directly or indirectly.

There is no evidence on the books of the company of any contract with Irwin in relation to Congressional legislation, Irwin was simply an agent of the company at San Francisco. His transactions in Washington were never authorized and Irwin's testimony to that effect was absolutely false. R. B. Irwin was never employed as an attorney or counsel of the company.

A resolution adopted by the company suthorized the expenditure of \$10.000

A resolution adopted by the company authorized the expenditure of \$10,000 only, and this was not authorized to in-fluence legislation. In further testimony Mr. Hatch alleged if Irwin was employed at all he was employed by Mr. Stock-well, and not by the Pacific Mail Com-

pany.

He asserted that Mr. Stockwell and
Mr. Irwin had abstracted at least two

Mr. Irwin had abstracted at least two-and a half million dollars from the Com-pany, and their abstractions were made by false entries on the books, weich have been only recently discovered.

The Company did not consider this legislation in the nature of a subsidy, but as legitimate; and the San Francisco agency, as represented by Mr. Irwin, was not authorized to expend more than \$10,000.

which had been inspected and approved by the proper officers, he asserted that the company had fulfilled the views of the contract. Mr. Hatch was cross-examined by him,

and insisted that Irwin's contract was a private one with Mr. Stockwell, and was not made by the company. Mr. Hatch had never been able to find any record of a contract with Mr. Irwin. Mr. Hatch said he had no evidence or knowledge outside of the record that Mr. Irwin had any contract with the company.

He neither denied nor athrmed the fact

Congressional. Washington, Feb. 13.— House — By than mous consent, Mr. Cessna, of Pa., introduced a bill amendatory of the ac-tion in relation to the distribution of the Geneva award. Referred to the Judici-

Geneva award. Referred to the Judiciary Committee.

Several private bills were reported and ordered to be placed on the private calendar; when the regular order being demanded, the flouse resumed the consideration of the private bills reported from the Committee of the Whole yesterday, the House having adjourned beforeaction was taken on them.

The bill for the relief of certain loyal greditors whose many were configer.

ereditors whose moneys were confiscat-ed by the Confederate Congress, and on which the yeas and mays were ordered yesterday, was repealed—yeas 44, nays

Mr. Butler, of Mass., moved to reconsider the vote just taken, and Mr. Randail, of Pa., moved to lay the motion on the table—agreed to, and the bill was

tabled.

Senate.—Mr. Ferry, of Connecticut, presented the credentials of W.W. Eaton, appointed by the Governor of Connecticut, to fill the vacancy in the Senate caused by the death of Mr. Buckingham. The credentials were read, and Mr. Eaton, escorted by Mr. Ferry, advanced to the desk of the Vice President affd was sworn in. Mr. Morrell, or Vt., from the Committee on Finance, reported the bill to establish a mint at Chicago.

Mr. Chandier, of Michigan, from the Committee on Commerce, reported a bill authorizing the acceptance of certain real estate at runis, occupied for a long time past by the U.S. Consultate at that place. Passed.

time past by the U.S. Consultate at that place. Passed.
Mr. Bogy, of Misourri, entered a bill to establish a mint at St. Louis. Referred to the Committee on Finance.
Mr. Sargent, of California, presented a memorial of the Pacific Mail Steamship Company, praying against the repeal of their subsidy. Referred to the Committee on Appropriations.

tee on Appropriations.

Mr. Ferry, of Connecticut, called up the House bill for the relief Wm. J. Cart, which, after a discussion, was passed.

Mr. Cameron, of Pennsylvania, called up the House bill authorizing the Secre-

up the House bill authorizing the Secre-tary of War to permit the extension of the Hygenia Hotel, at Fortress Monre.

Mr. Bayard, of Delaware, asked how much of the Government property was to be encreached upon in this extension purely for private profit.

The Committee on military Affairs of the House had under consideration yes-terday a bill introduced by Mr. Clayton, leasing the Presidio reservation to the

leasing the Presidio reservation to the city of San Francisco for a public Park, Chayton and Lutrell appeared before the committee to advocate the bill. No dei-nite action was taken, but the indica-tions are that the Committee are tavora-

tions are that the Committee are lavora-ble to the bill.

He objected to placing it at the discre-tion of any executive officer to give away public property for private benefit. It was not a safe principle to establish. He thought the bill should lay down a dis-

ong cxistence of an alliance between France ith and Italy, and stating that by concessions in relation to Rome, France had secured its aid in case of a war with of Prussia.

Mazzini offered, if furnished with a million fire arms, to frustrate the scheme by effecting a restoration of Italy. He declared that his information was trustworthy, but he was unable to give his authority for it. The Cologne Gazette is inclined to believe the correspondence authentic, but the Berlin papers repudi-

AT a meeting of the Board of Trade held this morning, A. Wessel, John Shillito, L. Scasongood, C. A. G. Adue, and W. T. Bishop were elected a committee to nominate a ticket to be voted for at the annual election to be held on the 1st of March. By the rules of the Board this Committee must announce their nominations at least six days before the election, and there is a probability that an opposition ticket will be presented for the suffrages of the members.

ABOLT 3 P. M. as R. R. Compiles 34

Crease of taxes would encourage fraud in the collection of the revenue, by which increased burdens would be laid on those engaged in honest production, and by which it would become even that the legislation would be one peculiarly injurious to the interests of the West.

This Chamber would therefore enter its solemn protest against any change in the present law.

outside of the record that Mr. Irwin had any contract with the company.

He neither denied nor affirmed the fact that a large amount of money was expended in Washington. As to the \$750.000 said to have been expended by Irwin there was a vacuum in the bank account, and he did not know whether Irwin expended it in Washington or not. He said Mr. Samuel Hatch was employed at his (witness') suggestion.

Congressionat. tunately the 'bus had no passengers in it, being on its way to the train. This harmless accident should serve as a caution to drivers of heavily loaded omni-buses in these dangerously icy times,
